

5-Day Clubs

The time for *5-Day Clubs* is here, and YOU are invited to be a part of a club! Would you like to give a part of your summer to reaching boys and girls with the gospel? Then maybe you'd like to consider one of the following opportunities:

- Host a 5-Day Club®!** Open your home, yard, community center, or neighborhood park and invite the children. Last summer we held more than 80 clubs and were able to reach more than 700 children.

- Donate to a 5-Day Club!** Perhaps you could give a donation towards gas money or for other *5-Day Club* supplies.

A typical 5 Day Club usually includes:

- Pledges to the Bible and American flag
- Prayer
- Singing (several time through out the club)
- Offering for a special project set up by CEF
- Memory Verse (for each day's lesson) with a fun review
- Bible Lesson and review game
- Puppet skits
- Snacks
- Other active games

The gospel will be clearly presented and the club will be conducted by trained and screened summer missionaries.

This schedule is usually accomplished in one and one half hours. The schedule can be flexible to meet the needs of the children and the hostess. There are also attendance incentives offered throughout the club.

"Turned Around" . . .

So many kids are headed in the wrong direction. And all the rules and teaching in the world can't help them. What do they need? Salvation through Jesus Christ! Through Bible lessons on Zaccheaus, Mephibosheth, Noah, the Ethiopian treasurer, and Saul, children can clearly see their need for the Savior and His love. Don't wait for your kids to get on the right path—introduce them to THE ONE who can turn them around today!

"Run, Ma, Run" . . .

Do the children you teach know the mighty power of God? Through the power of God, Mary Slessor is able to heal the physical and spiritual wounds of natives in Nigeria. Learn the true story of how Mary bravely goes alone to a strange and dangerous place to help the people turn from witchcraft and rely on Christ. This powerful five-part series inspires children to be missionaries in their neighborhood. Unsaved children are presented with the opportunity to receive Christ as Savior.

This summer's project help open the Caribbean Island of St Kitts (population 40,131 of which 26% is under age 14) and Nevis for an established CEF ministry.

How is a country opened?

By volunteers going into the country to:

- train Christians
- demonstrate effective ministry
- visit churches and raise awareness of the need to reach children and the ministry of CEF

What is needed?

Prayer . . . Financial support . . . Workers
